n on edge: Internet & telephone networks shut; letter to UN over
'threats' — top developments

run on Friday approached the United Nations Securi
Council blaming the United States for what it
described as the "transformation of peaceful protes
into violent, subversive acts and widespread
vandalism" in the Khomenei-led Islamic Republic, an
also accused Israel of interfering in its internal affair

The unrest came as protests continued across Iran fo
more than 10 days, with unrest reported again on
Friday night. Online videos shared ahead of governm
threats to crack down appeared to show protests
continuing after authorities shut down the Internet an
telephone lines.
